

OUT!

Welcome

OUT! Is issued via e-mail every few weeks through the playing season with quarterly Newsletters reporting on broader issues & subjects of interest. Copies are posted on the web site, www.eardisleytennis.co.uk, & in the clubhouse.

BREAKING NEWS

Earlier this year we were awarded a grant from Sport England for a number of items. One of those was a **ball machine!** Our committee have now settled upon a model & it should be available for use shortly – watch this space.

EMMA'S TOP TIPS – PLAYING IN DOUBLES

Keep the opposition guessing by moving around. Stand back & then get up to the net quickly as your partner serves. Come in when you've served, this will intimidate the opposition. Keep them guessing & they'll make a mistake. Take care, if your approach shot is poor you may be lobbed! **Practice, practice,** with your partner so that you can read what each is doing.

COMPETITION

Last months winner, (who responded on the day of issue!), was **Kevin Wilde.** Kevin, pick a tube of balls up from Emma when you're back. Look out for the next competition in OUT! No 5.

RESULTS

In the first matches this season the men's A team had a **straight win** against the MCS B team at home & the ladies a **winning draw** against
